

## **WEBINAR**

**Date:** Wednesday, 23<sup>rd</sup> November, 2022

**Topic:** Importance of Interview Techniques and Resume Writing for Freshers

**Guest Speaker:** Mrs. Nikita J. Singh, Clinical Research Institute, CLINI INDIA.

**Number of Participants: 50**

### **Summary of Lecture:**

Shree Naranjibhai Lalbhai Patel College of Pharmacy, Vidyabharti Trust, Umrakh Organized an online webinar on – “IMPORTANCE OF INTERVIEW TECHNIQUES AND RESUME WRITING FOR FRESHERS” for the final year. B. Pharm and M. Pharm students on 23<sup>rd</sup> November, 2022. As these students are now few steps far for their graduation and post-graduation, may they have their priority to do job. And it is mandatory for them to present their self in very brief but clear way with their skills in a form of resume writing and interview. The webinar was started at 3.30 pm., with a welcome speech by Dr. Tanvi H. Desai, Assistant Professor, SNLPCP, Umrakh and Co-ordinator of this webinar. She welcomed speaker of the event Mrs. Nikita J. Singh and delegates. The speaker had explained the importance of interview techniques, how to write resume for the first time, how to present yourself in interview. She explained all the aspects in a very informative way with examples to the students which help them for successful future. At the end, the session was opened for questions and answers to participants. To conclude the session, Dr. Tanvi H. Desai show her appreciation and acknowledgement to speaker for her valuable time. SNLPCP is thankful to Mrs. Nikita J. Singh - speaker and all participants.

### Resume vs. CV

Many people use resume and CV interchangeably — but they are not the same.

The CV presents a full history of your academic credentials, so the length of the document is variable. In contrast, a resume presents a concise picture of your skills and qualifications for a specific position, so length tends to be shorter and dictated by years of experience (generally 1-2 pages).
