Till 2018, the test was conducted by All India Council for Technical Education (AICTE). NTA is conducting this test since 2019. This test facilitates institutions to select suitable pharmacy graduates for admission into the Masters (M.Pharm) Program. The GPAT is three hours computer based online test. A few scholarships and other financial assistance in the field of pharmacy are also given on the basis of GPAT Scores.

IIC and IQAC of Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh, has organized an online Mock GPAT test -2023 for the final year B.Pharm students on two phase at weekly interval. Question paper's structure was similar to GPAT exam and covered entire syllabus.
