Venue: W Wing Seminar Hall

No of Participants: 104

Startups in an economy's technology sectors is an important indicator of technological performance for a Country's Development. Students are a factory of ideas so Gujarat Government has Started a Student Startup Innovation Policy for Students. But the students are not aware of IPR and Patent Filing

To bring an awareness among Students and Faculty Members on how to file a patent, a Guest Lecture was organized. Mr Kirtikumar Patel, Founder IP Calculus was the Expert Speaker at this event. He discussed the various Patent Database Search and techniques of Prior Art Search

The students were sensitized and faculties were encouraged to motivate students for taking maximum benefits of the program.
