Startups in an economy's technology sectors is an important indicator of technological performance for a Country's Development. Students are a factory of ideas so Gujarat Government has Started a Student Startup Innovation Policy for Students. But the students do not know how to present their ideas on different platforms.

To bring an awareness among Students and Faculty Members, a Guest Lecture was organized. Mr Pancham Baraiya, Entrepreneur, Startup Mentor, Parul University was the Expert Speaker at this event. He discussed the techniques of preparing a Pitchdeck Presentation and conducted a workshop on how startups are needed to showcase their ideas to the Investors.

The students were sensitized and faculties were encouraged to motivate students for taking maximum benefits of the program.
