

Shree Naranjibhai Lalbhai Patel College of Pharmacy, Umrakh

Days Celebration (5-8 February 2024)

As we all know, a college environment concentrates on academics most of the time. Celebrations provide an opportunity to indulge in non-academic activities, to bond and break the ice with each other. It deepens the peer relationships and brings the students closer to the staff, making everyone feel like a family. With this feeling various days were celebrated in the first week of February at the institute. Every year students follow the tradition of celebrating days with particular theme and costume. This year also, students celebrated the whole week with innovative days like the group day, traditional day, bollywood or retro day, western day, group and signature day, charity day as well as chocolate day along with annual day. During this celebration Funfair was also organized by the students to get fun with delicious food. Funfair celebrations included the Games and Eatery stalls like Basket Chaat, Mexican bhel, Cold Coco, Pav Bhaji, Manchurian and Aloopuri. Moreover, all students had fun by clicking photographs all over the campus. By showing happy faces of students, it could be said that it was full of fun week with celebration of days.

Western/Annual Day
