## Teacher's Day Celebrations

**Date of Event: 05/09/23**

Teachers' Day is celebrated on Dr. Sarvapalli Radhakrishnan's birth anniversary, 5<sup>th</sup> September to recognize his contributions to education and his role as a bridge between Eastern and Western philosophies. It is a day to express gratitude to teachers for their hard work and dedication to shaping the lives of students and the future of society. Teachers' Day can inspire students to consider teaching as a noble profession. This day is a time for teachers to assess their teaching methods and impact on students. Schools, colleges and educational institutions organize events and activities to celebrate Teachers' Day, such as cultural programs, special performances, and gifts for teachers. Just like every year, this year too we celebrated Teachers' Day in our college as a fond remembrance of Dr. Radhakrishnan and as an affection to all teachers. The student teachers of 7<sup>th</sup> Sem were actively engaged in conducting B. Pharm lectures and practicals. After all, it is the day when students find out the hidden talents in themselves and get prepared to enter the real world. After the session, the students had organized a small token as a respect and affection to teachers. They felicitated all the teachers with a rose, pen and snacks. There was an informal interaction between the students and staff. Even this year we recognized the students for their efforts and hard work to become a teacher and gave certificates to best teachers from all the semesters.

Winners of best teachers:

For 1<sup>st</sup> sem Class: Mr. Jugal Lad

For 3<sup>rd</sup> sem Class: Mr. Mann Patel

For 5<sup>th</sup> sem Class: Ms. Ashka Patel

For 7<sup>th</sup> sem Class: Ms. Dhruvi Shukla
